

Name: _____

6th Grade Art
Journey Journals
Self-Assessment Form

List 3 Elements of Design observable in your artwork.

List 3 Principles of Design observable in your artwork.

Using adjectives, describe each of the Elements and Principles listed above.

In a brief paragraph, explain in detail how each of the Elements and Principles listed above help communicate the story you told in your journey journal.

Do you think you were successful in communicating the story of your real or imagined journey, why or why not?

Do you think the style of book you chose to make was the best option for your story, why or why not?

If you could start over on your journey journal, what would you do differently, and why?

How is your journey journal similar and different to Dan Eldon's journals?
